

INSTA STIK™ Quik Set Warranty Submittal Instructions

Follow the instructions here to apply for your 10-, 15- or 20-year INSTA STIK™ Quik Set Warranty. You may complete and submit materials electronically or download forms to complete and submit by fax or mail.

IMPORTANT INFORMATION – READ BEFORE PROCEEDING

- 4' x 4' (1.2 m x 1.2 m) polyisocyanurate and expanded polystyrene insulation boards maximum; all other insulation and coverboards are approved up to 4' x 8' (1.2 m x 2.4 m)
- A pull test is required for all re-cover applications
- Foil-faced polyisocyanurate insulation is not compatible with INSTA STIK™ Quik Set
- Lightweight Insulating Concrete is not compatible with INSTA STIK™ Quik Set
- New poured-in-place concrete must cure for 28 days minimum
- Surface and ambient temperature must be 33°F (1°C) and rising

1. Complete Pre-Job Qualification Form

Prior to job start, download the Pre-Job Qualification Form. Use a separate Pre-Job Qualification Form for each individual building. Include, when available, drawings (including cuts, details and number of squares for tapered systems), specifications, revisions/change orders and all documents associated with the roof system.

See instructions below to submit the Pre-Job Qualification Form and attachments by fax or mail.

2. Sign and Return Letter of Intent to Warrant

A Letter of Intent to Warrant, which includes required quantity of INSTA STIK™ Quik Set units and application rates, as well as warranty fee (if applicable) will be sent to you upon approval of your completed Pre-Job Qualification Form. Sign the letter and return it to Dow, where it will be kept on file. **Prior to completion of your roofing project, remember to forward to Dow any job changes initiated after submittal of the Pre-Job Qualification Form.**

3. Complete Job Start/Completion Notice and Submit Invoice Copies and Fees (if applicable)

Upon job completion, download the Job Start/Completion Notice. Verify the job start date, guidelines followed and date of completion, then sign, date and return to Dow along with copies of invoices for INSTA STIK™ Quik Set.

Once all warranty submittal materials have been received and the use and installation of INSTA STIK™ Quik Set has been confirmed, all applicable warranty fees must be paid before Dow Building Solutions will issue the requested 10-, 15- or 20-year warranty.*

SUBMITTING MATERIALS BY FAX OR MAIL

If you prefer to fax or mail, return completed forms and any necessary attachments to:

Dow Building Solutions
Attn: Julie Foye
1605 Joseph Drive
200 Larkin Center
Midland, MI 48674

Fax: 1-989-636-6912
